About Littleton Youth Ballet

Littleton Youth Ballet is a performing ballet company comprised of 86 young dancers between the ages of 8 to 18. Our mission is to maintain a first-rate non-profit youth company of dancers, enriching their lives and those of their families, schools, communities, and beyond. We also aim to provide a caring and respectful environment that offers each dancer quality performance experience to enable them to reach their fullest potential, not only as dancers, but in all areas of life. We strive to encourage and promote dance with dynamic, full-length productions and diverse outreach programs throughout the Denver area.

All of our dancers are students at Littleton Ballet Academy. Many of our upper-level students have won awards and scholarships in ballet competitions and have been accepted and/or received scholarships and stipends to nationally recognized ballet schools across the nation.

About Littleton Ballet Academy

Littleton Ballet Academy is a pre-professional ballet school in Littleton. Run by co-directors, Alison and Bobbie Jaramillo, the school focuses on ballet while also offering training in jazz, tap, contemporary, musical theatre, conditioning, and Pilates Reformer to create strong and versatile dancers. This year, LBA was awarded Outstanding Faculty by Youth American Grand Prix and was awarded Outstanding School in 2020. Additionally, dancers have been invited to YAGP Finals for the last five years. Just last month, Tarantella won Top 24 at the YAGP Finals in Tampa which is an international competition. Dancers have also done well at the Denver Ballet Guild Young Dancer's Competition (winning the David Parvin Award twice) and StarQuest (in 2020 all seven ensembles placed including a 1st place finish). Dancers have also been accepted and/or received scholarships and stipends to nationally recognized ballet schools across the nation.

Littleton Ballet Academy is a performance-based school meaning that committed dancers have lots of opportunities to participate in Littleton Youth Ballet productions, outreaches, benefits, and possibly some ballet competitions. Dancers in Ballet 3 and higher have the chance to perform four times a year on a real stage and learn to develop stage awareness and presence, experience how a ballet is created, and as they grow, even the chance to create a leading or supporting role in a ballet.

Our environment is strict but caring, encouraging students to work at their fullest potential. We have a wonderful family feel in our studio, with supportive parents, and the younger students being able to look up to the older students. Our faculty and staff become involved in the development of all our students. Our goal is to produce dancers who are wonderful people that will succeed in anything they wish to do whether it's a career in ballet or something else.

Thank you for coming to the show!
